- Daily practice is vital to success when learning to play an instrument. A minimum of thirty minutes each day is required for best results. Practice cards will be given to instrumental students to keep track of their daily practice. Parents are asked to sign the card and students are to bring the card to class each week.*
- Instrumental students must provide their own instruments. Most instruments can be rented from local music stores. No previous musical instruction or skill is required for Beginning Level classes.*
- All students are to check in at the registration table on the first day of class. Please be sure to come at least fifteen minutes early. Each student will be given any curriculum books purchased through the school.*
