2018 - 2019**

**PSALMIST SCHOOL OF MUSIC  
AND FINE ARTS**

**OUR PURPOSE**

To glorify God by providing excellent instruction in a Christian environment. To develop a standard of excellence in the understanding, appreciation and demonstration of music and fine arts as expressions of worship and tools for evangelism.

**OUR GOALS**

Students will develop individual skills of performance and an awareness of cooperating with God’s anointing while working with others. Through their involvement with the group, the student will grow in Christian character, individual confidence, self esteem and esprit-de-corps.

127	<b>Visual Arts</b> Age 12 & up (\$8 lab fee)	10:15 a.m.
128	<b>3-D Studio Art</b> Age 12 & up (\$10 lab fee)	11:00 a.m.

## CLASS TIME SCHEDULE

### 1:15 p.m. - 2:00 p.m.

**108 Second Year/Intermediate Strings** (Age 9 & up) - This class will continue with the Level 2 Methods book including scale studies, playing positions and continues note reading. This class will work on some of the music being used with the string orchestra and will play with the advanced group for performances. We will play ensemble music including hymns, classical music and worship music. **Book fee \$10**

### 1:30 p.m. - 2:15 p.m.

**143 Dissection (Winter and Spring Session only)** - Winter will be Basics in Dissection. We will learn the techniques of dissection while dissecting a worm, clam, starfish, grasshoppers, fish and frog. Spring Dissection will continue with dissecting a sheep eye, brain, heart, kidney and fetal pig. There will be a lab fee for Spring, "Continuing Dissection", depending on the cost of the items being dissected.  
**Winter, "Basics in Dissection" Lab fee - To be determined**

### 2:00 p.m. - 3:00 p.m.

**110 String Orchestra** - For all violin, viola, cello and string bass students who have played their instrument for two years or more. Music theory, scales and etudes will be incorporated into all lessons. A variety of music, including quartets, chamber music and worship music will be performed.

## CLASS TIME SCHEDULE

### 12:30 p.m. - 1:15 p.m.

**104 Beginning Strings** (Ages 8 & up) - Learn to play violin, viola or cello. No previous musical experience necessary. Students will learn proper playing positions, note reading, basic music theory and will learn to play holiday and classical music as well as worship music. **Book fee \$10**

**121 American Sign Language** (Age 9 & up) - Welcome to the world of sign language! Through American Sign Language (ASL) we will be having fun learning the basics, like the alphabet, words and phrases, animal and household signs and even using ASL grammar. We will be praising God all the way too, by learning how to sign worship songs, hymns and simple prayers.

### 1:00 p.m. - 1:45 p.m.

**115 Advanced Mozarts/Wacked on Rhythm** (Ages 6 & up)  
Six year olds MUST have taken "Music for Little Mozarts", seven to nine year olds need not have any previous musical training. This class is a combination of beginning piano and rhythm. Students will spend time at the pianos learning to read music on the printed page for part of the class. The other part will be spent on learning rhythms, keeping a steady beat, learning chords and bass patterns, playing some classical and popular tunes. We will be using the fun new instruments called Boomwhackers as well as other instruments.  
**Book fee \$10**

*"Teach me Your way, Lord, and I will live by Your truth.  
Give me an undivided mind to fear Your name.  
I will praise You with all my heart, O Lord my God,  
and will honor Your name forever."  
Psalm 86:11 - 12*

## CLASSES OFFERED

**Photography**

<b>129</b>	<b>Photography</b> (Age 12 & up) (\$8 lab fee)	<b>12:00 p.m.</b>
------------	---	-------------------

------------	--	-------------------

## CLASS TIME SCHEDULE

### 9:30 a.m. - 10:15 a.m.

**146 Intro to Chemistry and Physics** (Age 12 & up) - Much of the things that God has designed in our world is invisible to our naked eyes. Yet atoms and molecules combine and change, directly impacting our everyday lives! Come, explore and learn through many hands-on activities in this two part class. The first half of the year will be the very basics of chemistry, including atom and molecules, states of matter, the periodic table, chemical bonds, chemical reactions and more. The second half of the year we will spend our time exploring physics through concepts of motion, force, work and energy, metric units and conversions, and more! I promise not to blow anything up, but God will blow our minds wide open to His "invisible" world! **Lab Fee \$8**

**107 Second & Third Year Piano** - For all second year students. We will be continuing where we left off last year in the same book. (Piano Adv. Level One Red or Level Two Blue). We will be learning more musical terms, new note, left hand patterns and be introduced to musical form. Piano students must have a piano or keyboard at home for daily practice. Psalmist will provide keyboards for classroom use. Bring all lesson books you were working on at the end of last year. **Parents are encouraged to attend the first class with their child.**

**125 Visual Arts** (Ages 5 - 7) - This class is open to all students of all levels of artistic skill, beginning through advanced. We will explore exciting art techniques designed to expand the students knowledge of art and design. The goal is to enjoy the arts and hopefully help the students remain artists as they grow up. **Lab fee \$8**

**126 Visual Arts** (Ages 8 - 11) - This class is open to all students of all levels of artistic skill, beginning through advanced. We will explore exciting art techniques designed to expand the students knowledge of art and design. The goal is to enjoy the arts and hopefully help the students remain artists as they grow up. **Lab fee \$8**

## CLASS TIME SCHEDULE

### 11:45p.m. - 12:30 p.m. (cont.)

**120 Drama/Theater Workshop** (Age 12 & up)  
Students will learn the basics of theater and operations, develop and apply acting skills through scene work and monologues, and practice spiritual disciplines. Acting will focus on the importance of character study. Acting presentations will be positively critiqued in a safe environment to improve student's learning and understanding of the emotions of the character. At the end of the year, students will have an opportunity to perform at the school recital. Students should bring a notebook with pockets or pocket folder to house class papers. A detailed syllabus will be provided at the beginning of class.

### 12:00 p.m. - 12:45 p.m.

**129 Photography** (Age 12 & up) - Offers the student the opportunity to learn more about the mechanics of digital photography focusing mainly on the "art of photography" with emphasis on the subject, balance and color content of the photos. Class requirements include a digital camera and access/knowledge of a computer and printer for weekly assignments. **Lab fee \$8**

### 12:15 p.m. - 1:00 p.m.

**114 Music for Little Mozarts/Boomwackers** (Age 5 - 7)  
Students will be introduced to appropriate piano instruction for their age level, such as finger numbers and moving up and down the keyboard, high and low sounds, quarter notes, rests and bar lines. Singing, rhythm and listening skills are developed along with an appreciation for a variety of musical styles. Students will learn the basics of rhythm, experience steady beat, note and rest values, tempo, and syncopation on fun new instruments called boomwhackers. Piano or keyboard is highly recommended for home, but not necessary. **Parents are encouraged to attend the first class with their child.**  
**Book fee \$10**

*"All your children shall be taught by the Lord, and great shall be the peace of your children."*

**Isaiah 54:13**

## CLASS TIME SCHEDULE

### 11:00 a.m. - 11:45 a.m. (cont.)

#### **119 Communication, Mass Media & Journalism** (Age 12 & up )

Students will learn the fundamentals of communication, explore mass media outlets (advertising, TV, film, internet, radio), discuss ethics, and cover journalism methods. Practical application will be emphasized through in-class work and projects, both written and oral. All work will be graded, but not recorded so students can gauge their progress with the material and understand areas for improvement. By the end of the year, students will be ready for further studies in the areas of communication, marketing, media and journalism. Students should bring a notebook with pockets or a pocket folder to house class papers.

A detailed syllabus will be provided at the beginning of class.

### 11:45 a.m. - 12:30 p.m.

#### **137 Biology in the Bible** - (Age 10 & up) - In this course our

scientists will get a brief overview of the basics of science and how it all plays into God's creation. Remember, God was and is First and is to come! Some topics we will explore: His 6 days of Creation, cells, classification, micro-organisms, plants, animals, body systems and ecology. Whew! We will also have fun while looking through a microscope, dissecting owl pellets and performing a few experiments along the way. Science should never be boring! God made an amazing world, so join us and let's discover it together!

**Lab Fee \$8**

#### **109 Second & Third Year Percussion** - Continuing from first and

second year classes. These classes will explore the various percussion instruments, including an introduction to playing on a drum set. Please bring a blank notebook to use as we study and apply the various elements and rhythms of music.

## CLASS TIME SCHEDULE

### 9:30 a.m. - 10:15 a.m. (cont.)

**102 Beginning Guitar** (Ages 8 & up) - Learn to play the acoustic guitar. No electric guitars will be accepted for the first year student.

**Book fee \$10**

### 10:15 a.m. - 11:00 a.m.

**112 Beginning Flute** (Age 9 & up) - Learn to play flute. No previous musical experience necessary. Students will learn proper playing positions and breathing, note reading and basic music theory. Students will learn to play holiday and classical music as well as worship music.

**Book fee \$10**

**105 Second Year/Intermediate Guitar** - Students who have completed Beginning Guitar will pick up where they have left off. Students will learn basic chord theory, bar-chording, rhythmic strumming development, transposing with the use of a capo, beginning scales and they will begin to learn many new worship songs. Students are encouraged to continue on the acoustic guitar. Any electric guitar players must first receive permission from the teacher. Please bring your Chord Book and Lesson Book from Beginning Guitar class. No other new books needed.

**106 Beginning Piano** - (Age 9 & up) - Students will be learning about hand position, finger numbers, basic rhythms, musical terms and be introduced to all key names as well as learning to read music on the printed page. Piano students must have a piano or keyboard at home for daily practice. Psalmist will provide keyboards for classroom use. **Book Fee \$10**

**127 Visual Arts** (Ages 12 & up) - This class is open to all students of all levels of artistic skill, beginning through advanced. We will explore exciting art techniques designed to expand the students knowledge of art and design. The goal is to enjoy the arts and hopefully help the students remain artists as they grow up. **Lab fee \$8**

## CLASS TIME SCHEDULE

### 10:15 a.m. - 11:00 a.m. (cont.)

**147 Public Speaking** (Age 9 & up) - Let's face it, with all the electronic communication out there in today's world, the art of face-to-face interactions is becoming obsolete! We hide behind screens, avoid eye contact and mumble our way through life. God did not intend us to communicate through computers! He gave us a mouth to speak clearly, eyes to focus on others and a brain to sort out ideas.

In this class we will be focusing on several aspects of public speaking including: the making of a good speaker, using the proper tools for public speaking, knowing your audience, and using different types of speeches effectively. Students will be listening to and critiquing famous historical speeches, researching and writing their own speeches, and playing interactive games to help their skills in becoming great orators.

Students will present at least 2 types of speeches during each semester. Therefore, class time is allotted for them to research topics and to prepare. But please understand they should practice at home in front of a mirror, parents and/or siblings.

It is highly recommended that students have access to a laptop, notebook or some other device that has internet capabilities. Also, good old-fashioned index (note) cards, and pens/pencils are required.

**118 Sew Blessed** (Age 12 & up) Sew Blessed is a sewing class for students who are new to or just beginning to learn about this creative art form. It will be taught by Jeanne Jakubik, who has been sewing for over 50 years. The lesson plans will loosely follow the book by Deborah Moebes - "Stitch by Stitch: Learning to Sew One Project at a Time." Students will learn the various aspects related to sewing that are necessary for a project to turn out properly; that is - which material to use, different types of thread, a basic understanding how a sewing machine works, and so (sew) much more. Projects will be suitable for gift-giving or to support mission projects. You will need to have a sewing machine at home. There will be sewing machines provided for the students to use in class. Each student will need to provide their own supplies for each project. Sew - let's get creative! :) **Book fee - \$22**

## CLASS TIME SCHEDULE

### 11:00 a.m. - 11:45 p.m.

**138 Budding Scientist** (Age 5 - 9) - In this course our budding scientists will get a brief overview of the basics of science and how it all plays into God's creation. Remember, God was and is First and is to come! Science should never be boring! God made an amazing world, so join us and let's discover it together! **Lab Fee \$8**

**101 Choir** (Ages 9 & up) - Come, praise the Lord through song. Use your voice to blend with others in unison and using harmony. Students will learn vocal and breathing techniques, warm up exercises and music theory, along with singing a variety of music.

**145 Second Year/Intermediate Flute** This class will continue with the Level 2 & 3 Methods books including scale studies and continued note reading. This class will also work on ensemble music. Students will play all styles of music including contemporary, hymns and worship music. **Book fee \$10**

**103 Beginning Percussion** (Age 11 & up) - A rubber practice pad and size 5A or 2B drum sticks are needed for class and home practice. Please also bring a notebook for scriptures and class notes. The lesson book and CD will be ordered through Psalmist when you enroll for the class. This book will be used for both the first and second year classes. **Book fee \$25**

**128 3-D Studio Art/Workshop** (Ages 12 & up) - Designed for the young artist looking for some experience in 3-dimensional art. The student may work on one project for several weeks. Areas of study include sculpture, free form, fiber design, printing and much more. A wonderful opportunity to explore another aspect of art. **Lab fee \$10**
